

ZAKAAH CALCULATOR

Step 1 - Calculating the Nisaab for Gold & Silver

Current Price of Gold in grams:	<input type="text" value="£"/>	x	87.48g	=	<input type="text" value="£"/>
Current Price of Silver in grams:	<input type="text" value="£"/>	x	612.36g	=	<input type="text" value="£"/>

For Current price of Gold or Silver contact check online or local Jewellers

Step 2 - Calculating the Amount Eligible for Zakaah

Cash in Hand		£
Cash at Bank	+	£
Gold: <input type="text" value=""/> grams x <input type="text" value="£"/> Current Price of Gold	+	£
Silver: <input type="text" value=""/> grams x <input type="text" value="£"/> Current Price of Silver	+	£
Investment Bonds	+	£
Cash: ISAs / TESSAs / PEPs / National Savings	+	£
Other Investments	+	£
Shares (At Current Value)	+	£
Stock in Trade (At Current Price)	+	£
Income of Properties / Rental Income	+	£
Pension	+	£
Credits (Money Owed To You)	+	£
Other Income	+	£
Total Assets Liable For Zakaah	=	£
Loans (Money You Owe Others)	-	£
Outstanding Mortgage Payments (For the Current Year)	-	£
Rent / Bills & Other Utilities Outstanding (For the Current Month)	-	£
Salaries Due to be Paid to Staff	-	£
Amount Eligible For Zakaah	Total Sum =	£

Step 3 - Zakaah Rule

If "Amount Eligible For Zakaah" is:
Equal to or Greater Than the Gold OR Silver Nisaab Amounts
Zakaah is **Fardh (Obligatory)** and **MUST** be Paid.

Continue to Step 4

If "Amount Eligible For Zakaah" is:
Less Than the Gold OR Silver Nisaab Amounts
Zakaah is **Not Fardh (Obligatory)** and **DOES NOT** have to be Paid.

Finish here and Do not continue to Step 4

Step 4 - Final Amount of Zakaah to Pay

The Final amount of Zakaah to pay is 2.5% of the Total Amount Eligible for Zakaah.

Amount Eligible For Zakaah:

£

x 2.5%

= £

Total Amount of Zakaah to Pay
